

NCAA Information

According to the Frequently Asked Questions section of the NCAA website, students should register with the NCAA Eligibility center at the beginning of their Junior year, and submit a complete high school transcript of all completed courses at the end of their Junior year. Also, SAT and ACT scores should be submitted to the Eligibility Center by entering code “9999” when taking either exam to have their score forwarded directly.

The NCAA website also lists approved “Core Courses” that must be completed in order to be eligible upon graduation from high school. Be sure to check the NCAA website for a list of updated courses for Somers High School, as well as answers to more specific academic questions.

For more information, please visit the NCAA website at www.eligibilitycenter.org
